

3 BEDROOM / 2 BATH

Ilima

The lovely 'ilima flower is found in the sandy beach areas of Ka'u and Kawaihae. Like its namesake, this house would look right at home on the beach as well. It's designed with entertaining in mind. A spacious great room and a large lanai are tailor-made for good times. And the house works exceptionally well for everyday living as well. This one looks and feels right for active families.
