Featuring rigid core click-lock construction and protective wear layers up to 22 mil, EVOLUX stands up to scratches, dents, stains, and moisture — delivering lasting beauty for homes, rentals, and commercial spaces alike.

Whisper Woods Lite, Available by Special Order

Engineered with smarter fusion core technology, this collection blends authentic wood-look beauty with next-level performance. The light foamed core ensures a floor that's strong yet flexible, with improved sound resistance, better thermal stability, and reduced weight for easier installation. Designed for modern, sustainable spaces, it offers lasting durability, quiet comfort, and natural style in every step.
