Description

The three-bedroom, two-bath Honoka'a Plantation-style home boasts a large wrap-around covered lanai, a split pitch roof style, an open-concept living area and attached garage.

Design Features

- Split-pitch roofline offers interesting curb appeal and celebrates the Hawai'i plantation homes aesthetic
- Covered front entry with generous wrap-around covered lanai for relaxing or entertaining
- Generously sized bedrooms for flexible living, whether you need a home office, hobby room or a room to grow with your children
- Weather-protected laundry area so you can be comfortable even when doing house chores
- Open floor plan kitchen, dining and living room for flexible living and lots of natural light
- Extra garage storage to keep your outdoor activities, supplies and hobby equipment organized
