**THIS WARRANTY IS SUBJECT TO THE FOLLOWING CONDITIONS:**

1. This warranty is restricted to failures resulting from normal weathering and does not include coating failures caused by scratches, scrapes or any other unnatural damage including improperly formed, fabricated or embossed material. Dura Coat accepts no liability for damages caused by acts of God, radiation, falling objects, explosions, or other external forces beyond Dura Coat's control. This warranty does not cover failure due to failure of the substrate.
2. This warranty excludes failures caused by standing water, and direct exposure to corrosive and aggressive atmospheres including animal waste products. Applications exposed to salt spray or within 1500 feet of the seacoast, must be maintained by washing with fresh water at least annually and documentation of this maintenance provided upon request. The pre painted surface must not be cleaned with abrasive or chemical cleaners. Applications within 1500 feet of the coast line will also require a high build primer/topcoat system which will consist of a minimum of 1.8 mils coating system on the topside and 1.0 mils coating on the backside. Failure to use the high build primer/topcoat system will void the warranty. This warranty does not cover failure due to salt spray corrosion or failure of the substrate.

3. This warranty will apply to specific colors as requested, identified by a Dura Coat Products color code.
4. Each coastal warranty jobsite will be identified and approved prior to installation.
5. The warranty will not extend to, or cover: (a) damage to the Product occasioned by moisture or other contamination detrimental to the Product attributable to improper storage of coated Metal prior to installation; (b) damage to the Product occasioned by condensation attributable to improper packaging, handling, shipping, processing and/or installation; (c) damage due to failure of the substrate; (d) damage due to direct contact with animals or animal excrement.
6. The warranty will not be applicable to damage or failure which is attributable to acts of God, falling objects, external forces, explosions, fire, riots, civil commotions, acts of war, or other such similar or dissimilar occurrences beyond Dura Coat's control.
7. Dura Coat's responsibility extends only to the direct cost of refinishing or replacing failed coated substrate, and in no event shall Dura Coat's liability exceed the lesser of the cost of replacing the coated metal or refinishing the metal on site. Dura Coat cannot accept liability for loss or damage to other property or equipment, loss of profits or sales, or any other claims relative to standard business interruption, or any other incidental or consequential damages. This warranty does not cover, nor does Dura Coat accept any financial responsibility for tear down, removal or reinstallation of roofing, solar panels, or any other attachments previously added to the roof or its surface.
8. Dura Coat reserves the right to establish whether repainting or replacing material is required and to approve and participate in the negotiation of any subcontracted material replacement, installation, or refinishing. After replacement or re-finishing of the repaired area, this area will be warranted for the remainder of the warranty period applicable to the metal originally coated considered as installed as of the original installation date for the purpose of the application of this warranty.
9. Claims under this warranty must be submitted in writing within forty-five (45) days of discovery of the warranted performance failure. Upon review, Dura Coat may, at its discretion, choose to remediate said claim under the terms and conditions outlined in the warranty document or inspect the project. Dura Coat requires the opportunity for site failure inspection and investigation. Dura Coat also reserves the right to solely evaluate and determine its obligation under the terms and conditions of this limited warranty.
